Well..... again, this is the author who draws all kinds of things and dawdles~

This time it'll also be posted in two parts. What everyone sees right now is the first half; the second half will be added before the 20th.

First, I must apologize to everyone. This time, I took this long to update again, I really am extremely sorry QAQ

I've been in a unfortunate state for a while. First, I was sick, then I did overtime. It's almost as if all sorts of miseries were brought together. The fortunate thing is that I was able to find a suitable assistant. In the future, with an assistant helping, I shouldn't take so long to update.....

I am grateful to all of you that haven't abandoned me. Thank you. I will continue working hard to update.
